MEDICHIEF HAND SANITISER GEL

+MEDICHIEF™
making the world a safer place

- Conforms to BSEN 1500:2013 and BSEN 1276:2009
- The Centers for Disease Control and Prevention recommend using hand sanitisers with at least 56.7% alcohol. Medichief Hand Sanitiser Gel is based on 70% inclusion of ethanol
- This product can be used to refill smaller containers, or with a pump dispenser as required.

Clean, care and protect your hands with Medichief Hand Sanitiser Gel, an effective 70% ethanol formulation.

Ethanol destroys disease-causing agents and pathogens by breaking apart proteins, splitting cells into pieces and disarranging the cell's metabolism.

Apply as per instructions for best results.

Precautions for use

P210: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P233: Keep container tightly closed. P264: Wash hands, forearms and face thoroughly after handling. P280: Wear protective gloves/protective clothing/eye protection/face protection. P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337+P313: If eye irritation persists: Get medical advice/attention. P403+P235: Store in a well-ventilated place. Keep cool.
